

PRIVACY POLICY

Last updated: August 21, 2026

Overview This Privacy Policy applies to the mobile application **Arcana Automaton** (the "Application"), created as a commercial/free game. The Application is provided at no cost and is intended for use as is.

Information Collection and Use We believe in full user privacy. The Application **does not collect, transmit, store, or share any personal data or personally identifiable information** of any kind.

- **Personal Data:** We do not collect names, email addresses, phone numbers, physical addresses, or any other personal identifiers.
- **Device Data:** We do not collect device IDs, IP addresses, location data, or hardware specifications.
- **Usage Data:** We do not track gameplay analytics, session lengths, or user interaction metrics.
- **Third-Party Services:** The Application does not integrate third-party SDKs, analytics frameworks, advertising networks, or external software kits that harvest data.

Children's Privacy Because the Application does not collect any personal information, it is fully compliant with the Children's Online Privacy Protection Act (COPPA) and the Google Play Families Policy. We do not knowingly solicit or collect data from children under the age of 13 (or any age).

Data Retention and Deletion Since no user data is ever collected or stored on external servers, there is no data to retain, manage, or delete. Any game save progress is stored strictly locally on your device and is erased if you uninstall the Application.

Changes to This Privacy Policy We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. Any updates are effective immediately upon posting.
